

Domaine Cavalier White

IGP Saint-Guilhem-le-Désert

Val de Montferrand

2020

Château de Lascaux is a family domain in the heart of a garrigue setting leading to the bright and still glow of Pic Saint-Loup. **14th and 15th generation of Cavalier**, we continue a **family story**, in harmony with the natural environment that surrounds us. The biodynamic farming, listen to the murmur of nature, for us are obvious.

Day after day, our wines are nourished by exchanges, meetings and balances.

Jean-Benoit, Isabelle, Marie, Maguelone CAVALIER

Origine

Domaine Cavalier is located within the Château de Lascaux vineyards. Grouped around a Cévenol traditional house, the plots extend over a total area of 25 hectares. The blend of grape varieties of this wine allows to obtain a unique identity while letting the terroir express itself.

Varieties

- Sauvignon: 45 %
- Viognier : 25 %
- Vermentino : 20 %
- Marsanne: 5 %
- Roussanne : 5 %

Cultivation Mode

The vineyard has been managed in organic farming since 2006 and biodynamic practices have been introduced since 2015.

Plot Selection

The grapes come from vineyards planted on limestone and sandy-loam soils. In the heart of garrigue and surrounded by Aleppo pines and green oak trees.

At the limit of Brouzet and Corconne, the climate is cooler and gives to the grapes an optimal maturation.

Winemaking and Aging

Harvest in the morning, Grapes are destemmed. Selection of free-run juice and pressed juice. Cold settling. Temperature control around 18°C during the winemaking process. Aging in stainless steel tanks with lees.
