

Château de Lascaux is a family domain in the heart of a garrigue setting leading to the bright and still glow of Pic Saint-Loup. **14th and 15th generation of Cavalier**, we continue a **family story**, in harmony with the natural environment that surrounds us. The biodynamic farming, listen to the murmur of nature, for us are obvious.

Day after day, our wines are nourished by exchanges, meetings and balances.

Jean-Benoit, Isabelle, Marie, Maguelone CAVALIER

Origine

In the north of the Languedoc appellation, at the foot of cause Cévenol, the Château de Lascaux extends over 85 hectares of garrigue left in the wild. The climate, marked by continental influences, is particularly adapted to Syrah.

Varieties

- Cinsault : 40 %
- Grenache: 40 %
- Syrah: 20 %

Cultivation Mode

The vineyard has been managed in organic farming since 2006 and biodynamic farming has been practiced since 2015.

Plot selection

The vines are located on the Pic Saint-Loup appellation. They are planted on a soil resulting from the breakdown of calcareous rocks of the Quaternary period (Jurassic limestone, harder and older). These specificities offer fine and elegant wines, rich of the characteristics of this unique terroir.

Winemaking and Aging

Harvest by hand or machine according to the plots. Destemming and direct pressing. Traditional winemaking process with temperature control. Aging in tanks during 3 to 4 months before bottling.
